**Undergraduate Interns**

YAP is seeking interns to work 10 - 25 hours per week in the area of Institutional Development. Interns will help the Program Manager raise funds for different initiatives within YAP. His/her responsibilities will include researching public and private donors (including foundations, corporations and government agencies); writing grant proposals; and designing and producing brochures, annual reports and other materials.

Prospective interns should be detail oriented, proficient in Microsoft Office software as well as Internet research and should possess excellent written and verbal communication skills.
